

## ACT-IR200L Useful Link

IRCommand2 hardware support list shows ACT-IR200L : <http://www.wdpsoftware.com/IRC2/hardware.htm>

WDPS : <http://www.wdpsoftware.com/>

Download software & document : <http://www.wdpsoftware.com/IRC2/download.htm>

Other URL:

1) ACT-IR200L uses CS8130 chip inside. The datasheet of that chip can be found at:

[http://www.cirrus.com/en/pubs/proDatasheet/CS8130\\_F1.pdf](http://www.cirrus.com/en/pubs/proDatasheet/CS8130_F1.pdf).

2) This IR Transceiver document is helpful: <http://www.vishay.com/docs/80071/dataform.pdf>.

3) Snap Stream used IR200L in the past for remote control but stopped doing so sometime ago.

See: [http://snapstream.helpserve.com/index.php?\\_m=knowledgebase&\\_a=viewarticle&kbarticleid=1296](http://snapstream.helpserve.com/index.php?_m=knowledgebase&_a=viewarticle&kbarticleid=1296).

4) Open source codes for IR200L learning SW: <http://www.lirc.org/>,  
<http://winlirc.sourceforge.net/>.
